Andromeda	T017	991550	H16 - Alpine White		Aster	\$\$\$

To give the appearance and beauty of a natural marble effect, these colours have a random pattern.  
 It is important to follow the Marmo fabrication guide for the joining process when fabricating. Half sheet option (1838 x 760mm) is not batch matched.  
 The guide can be found at [laminex.co.nz](http://laminex.co.nz)
