Andromeda	T017	991550	H16 - Alpine White	3680 x 760 x 12mm	$$$

*To give the appearance and beauty of a natural marble effect, these colours have a random pattern.
It is important to follow the Marmo fabrication guide for the joining process when fabricating. Half sheet option (1838 x 760mm) is not batch matched.
The guide can be found at laminex.co.nz
