Each décor delivers an authentic woodgrain aesthetic with consistent colour and pattern, and has been paired with a matching textured edgetape. Supplied as finished panels so no coating or lacquering is needed. In addition, the UV stability gives peace of mind.

It is ideal for joinery, high quality furniture, feature walls or cabinetry.

Cleaning guidelines

Regular cleaning requires only a wipe down with warm soapy water, followed by a soft dry cloth. Avoid the use of acetone or trichloroethylene for cleaning purposes.

Always apply any cleaning product to a soft cloth, never directly onto Laminex™ Woodgrain panels.

- Adhere to cleaner manufacturer's instructions.
- The use of scouring pads, abrasive cloths, cream cleaners, cutting compounds or polishes is not recommended.
- The removal of dust from the surface can be easily achieved by the use of an electrostatic dusting cloth (e.g. Johnson's Pledge Grab-it®).
