	Dispatch Day ex Hamilton Plant	Dispatch Day ex Hamilton Plant
Monday	Wednesday	Thursday
Tuesday	Friday	Thursday
Wednesday	Friday	Monday
Thursday	Wednesday	Monday
Friday	Wednesday	Thursday

- Melteca finishes are pressed into the surface during the manufacturing process.
- At the time of ordering, Customer Services will supply a new dispatch date in the unlikely occurrence that the schedule is full.
- If you happen to choose a décor/substrate combination that has not been made, then some additional time for set up will be required.
- A dispatch date ex Hamilton Plant will be confirmed at time of order and verified on the Laminex New Zealand Order Confirmation.

Non Standard Product Ordering:

Non standard products are single-sided, mixed decors and mixed finishes.

- Mixed plate finishes are subject to a one off charge per order and a minimum order of 50 sheets is required.
- Despatch dates to be confirmed at time of order and verified with an order confirmation.
- Order confirmations can be emailed. Call customer service on **0800 303 606** to set this up.
- Single-Sided board (Face 1) and Mixed Décor board can be produced.
Note the thinner the single sided board, the more susceptible it is to bowing due to the uneven nature of the lamination.
- For board with a different decor on each side, bowing will be greater than the same decor pressed on both sides.
- Providing that these finishes are in Naturale or Pearl, they will be part of the daily production schedule. If not, the weekend production schedule will apply.
- Orders must be in multiples of 2 sheets.

Edging

Cut Edging
